In the summertime when the weather is fine Ree Petra enjoys nothing more than slapping on the suncream and laying herself out to the sun's rays in a teeny-weeny bikini. We can think of nothing better than cracking open a beer and

watching this gorgeous lady sun herself on the lawn. It also turns out much to our delight, that Ree isn't a fan of tan lines and got her kit off fairly quickly. It was a good thing we had an ice cold drink on hand to cool ourselves off.

LINSEY 

Raise your flag if you've missed seeing the naughty little minx that is Linsey Dawn McKenzie? Well, that was the entirety of Club HQ, and we know that our readers feel the same. So here is the filthy lady of your dreams back amidst our glossy pages and ready to tease, please and excite. This wanton MILF has been all over the globe and could share a thing or two, but trying to coax these secrets from her is hard work. Instead, Linsey just winks at us and at that point we just know she will always reign over our peckers! ♠

LINSEY 

Fresh from receiving the Mayfair Girl of the Year prize at this year's Paul Raymond Awards, peach Cara proves she's worth her weight in gold, as she strips off to reveal a body anybody would love to take a bite of. But how did it feel to win the award for the second time in a row?

"I was absolutely stunned to be honest, and want to say thank you to all the people who voted for me. I love working with Paul Raymond and am dead chuffed with my second award."

We couldn't have asked for sweeter words from one of the hottest babes in town.

ALAINA 

Club hopped State-side to bring you newbie Alaina, whose been causing a bit of a stir with our cousin's across the pond. We can definitely see what all the fuss is about and plan to make a great deal of our own, after watching Miss Fox's water jug action. A yank for a Yank is the perfect coupling in our book.

TOGA TEMPTRESS

The other week, a mate of my boyfriend's threw a toga party. The invites said "Roman Orgy". I wound him up saying if that was how things went, he'd probably wet himself in terror.

Fair play, we had a brilliant night – loads of food, booze, dancing and silliness. The student budget didn't run to a DJ, but he'd put a great playlist together and had raunchy clips from things like Spartacus and 300 (OK, not Roman, but whatever – loads of nudity!) playing in the background.

Everyone dressed up. Some people just took the bedsheet and sandals option, while others went for a bit more detail – everything from girls in posh maxi-dresses to blokes in gladiator costumes. Mine was "blinged-up slave girl" – one length of crinkly white fabric around my hips as a split skirt that showed a lot of leg when I moved, and another one worn halter-neck style, with the two lengths hanging down at the front and spread out to cover my tits. It was backless and sideless, and even with belts and gold cord to keep it all in place, I couldn't help flashing a lot of side boob, and the only underwear I had on was a metallic gold thong.

Chris, my boyfriend, in his centurion outfit, wouldn't behave. One time, I was stood talking to a friend when I felt something move up my thigh – the tip of his plastic sword, lifting my skirt to expose

my totally bare bum cheeks. Then when we had a dance later on, he grabbed me for a snog and groped me all over, saying how horny my outfit was getting him.

When the crowd thinned out at about 2am, we headed off to one of the rooms upstairs and found it empty with a double bed. Chris got handsy the second we pulled the quilt over us, but didn't want me to undress – he really liked my costume! He pulled the top into my cleavage to expose my tits at the sides and was rubbing his hard, naked prick against my slit through my thong, pulling it tight up against my clit to get me even hotter.

I was squirming, trying to build up even more friction, wishing he'd just pull it sideways and jam a few fingers or his cock inside me. But he was oblivious, head down and having a good suck on my nipples, switching between them. I was getting close to cumming but not so far gone that I didn't stop in my tracks in shock when two of Chris's mates came barging in. Maybe if they'd been a bit more sober they'd have apologised and gone right back out, but they stayed where they were, staring at us.

"Join in or fuck off," Chris said, thinking they'd take the hint, but they came over to the bed. One of them, Billy, leered at me and pointed out that this was his brother's room, so he could kick us out if he wanted to. But the other one, George, said fair enough, we'd got there first, and they'd be OK in sleeping bags on the floor.

We gave it 15 minutes and they seemed to have dropped off, so Chris picked up where he'd left off, but slow and quiet. Or maybe not as quiet as we thought because I realised I could hear rustling in the background. Chris obviously heard it too –

he suddenly switched on the bedside lamp, and we caught Billy with one hand moving inside his sleeping bag.

The shock-tactic didn't work this time either – Billy just grinned and carried on wanking away. My boobs were covered up again and he told me to, "show him some skin". I said OK, if it'd get him off to sleep any quicker. I was being sarcastic but my top was built for flashing so I indulged him.

Bad move. Now he was out of the sleeping bag, totally starkers. "Don't panic," he said, stopping a few feet short of the bed. "I just wanna watch." I'll admit I felt uneasy – I'd

“He used his own dick to tease my slit for a while, rubbing and tapping it against my clit.”

But George – the type of big lad nobody messes with – walked over and said, “Come on, mate. Let’s just find somewhere else to crash and leave them to it.”

I got the giggles – he’d taken off his gladiator “armour” but still had a fake-leather loincloth on. And him having an obvious hard-on made it even more hilarious. He looked down, and I gave him a flash too, then I said, “You don’t have to go.” I’d had fun all night, showing off my body in my slutty dress, and I was liking the effect I was having on all three of the lads.

Chris, looking a bit jealous, bowed his head and started sucking on my tits, through the top, like he was reminding them who I was with. And when he pulled away, my dark nipples were showing through the moist cloth. It gave Billy an idea and the next thing I knew, he was wanking, cock about six inches away from my tit. Easily near enough for me to reach, so I licked my hand, wetting it with my spit, then closed it around his shaft, stroking him slow so he wouldn’t shoot too soon.

Chris looked at me like, “Whoa!” so I winked at him and pointed down to my pussy, coaxing him to get to work on that. Instantly, he dived his head down to give me a licking. Maybe he was a bit freaked out by me playing with Billy’s dick, or else he thought he might lose control if he watched us. All I knew and cared about right then were his fingers buried in my snatch as his tongue lapped my clit, with my tight little G-string yanked sideways.

George just stood there, cock still straining, so I stretched out my free hand and pulled it out of his costume – once I’d done that it was

I reached down to squeeze his balls and a big load of spunk came shooting out...”

like he was finally convinced he had consent to get involved. I told him to take it off or I'd start giggling again – not that the size of him was a laughing matter. It bobbed around hard and proud as he stripped off, and as soon as he was in reach, I took it in my hand, wanking it as I guided it to my mouth.

Chris was still head down and Billy looked a bit jealous that it was George who'd be getting blown, so I wanked him a bit harder and faster. Then I engulfed as much of George's prick as I could take – the head and the next couple of inches if I wanted to keep breathing. I fondled his balls to get him pumping, and slurped as rudely as I could manage – which got Chris's attention.

He straightened up and just watched me for a few moments as I savoured one cock and tossed the other. Then he used his own dick to tease my slit for a while, rubbing and tapping it against my clit before sliding it down and into my pussy.

I tightened around him, groaning and writhing, with the cock in my hand – and especially the one inside my mouth – somehow boosting what I felt. And as Chris started to thumb my clit – he knows exactly what gets me off – I just sucked and wanked them harder.

It wasn't long before I had to give up, lie back and just focus on Chris fucking and frigging me, and it was probably just seconds before the first twitches of my orgasm hit me. My pussy was gripping his cock like steel, clit slipping under his thumb as the pleasure went through me.

The guys were taking care of themselves, wanking above my face, but it was Chris who hit the brink first. He pulled out, slapping his wet helmet on the gold triangle of my thong, then I reached down to squeeze his balls and a big load of spunk came shooting out, splashing along the bared skin above my belly button.

I scooped it up with my fingers and dabbed it on the fabric, soaking it so it clung transparently to my nipples. Then I pulled my top apart to expose my tits, and grabbed a

dick in each hand to give them one final toss.

Billy came first, but only just, spunk bursting then dribbling out of his cock to spray and splash on one nipple – there was so much of it, it pretty much covered my breast as I used his tip to smear it about. Then I finished George off with both hands, mis-aiming when his cum caught me by surprise – one spurt hit me in the face before I gave my other tit a jizz-bath.

I'll be honest, things got slightly awkward after that. Billy made to get in the bed with me and Chris – me in the middle – probably hoping for more, but George managed to drag him away to find somewhere else to kip. Chris went a bit quiet on me too but when I asked was he OK with this, he said yes, he was still trying to convince himself it had really happened and wasn't just one of his wank-fantasies – and the stiffy digging between my arse-cheeks told me he wasn't sorry it was for real...

DOWN THE WIRE

Heavy Brew!

When there's a large party of you at the pub, heading off to the bar can seem like a daunting task, and not just for your wallet. All that running backwards and forwards with three pints at a time, while doing your ruddy best not spill a drop should be made into an Olympic sport. But one man's effort in Bavaria, South-eastern Germany, has broken his previous record. Oliver Strumpfel carefully cradled thirty-one tankards filled with beer,

Now, where's my table again?

stacked in two tiers and walked for forty meters before setting them down. Unfortunately, two tankards were upset at the last minute, making the new world record twenty-nine. We wish he was our drinking buddy!

Kinky Koala!

It looks like somebody needs to take a few lessons to brush up on their skills. Nikki Erickson, from South East Queensland, got a bit of a shock when she discovered an intruder had entered through an open door. The trespasser turned out to be a fuzzy grey koala now nicknamed Larissa, who attempted to climb Erickson's indoor pole, which led to some hilarious footage of the koala shimmying up and down. But Erickson quickly realised that Larissa needed to be placed back in the wild, and

contacted the Daisy Hill Conservation Park who took care of the critter. The video was shared privately on Facebook, but it wasn't until a pole performer asked to make the video public that the sassy marsupial went viral with over a million hits.

Best Foot Forward!

It's like something out of a disaster movie as New York sink hole opens up to a most unlikely end. One gentleman was given quite a shock as he crossed a New York City street and the crossing gave way beneath him swallowing one of his legs. Photographs and a video emerged of the unidentified man awkwardly sitting in the middle of a pedestrian crossing with almost the entirety of a single leg vanishing into the asphalt. Three firefighters worked to pull the man out of the hole, and after quite a struggle he was eventually freed, minus one shoe, exposing a hole in the ground that measured roughly seven inches in width. The unsuspecting victim was taken to the local hospital with minor trauma to his leg.

Some of the ladies this month certainly know how to dress to impress, and now I have to impress upon them the effect they have on the poor male population. When I explain this to Sydney, she smiles and says, "I just love to dress up and evoke desire though, why do you think I got into modelling?"

Travel, fun and meeting new people?

"Well, there is all that too, but I get such a kick out of fulfilling men's fantasies as long as they're not dark and creepy that is, I do sometimes have to draw the line."

That puts us lot straight out of the game then.

Check out this month's cover girl Charlie Rose. This stunning dark haired beauty is well on her way to becoming one of Club's favourite girls as she strips off a purple set and frankly takes our breath away. The all natural Miss Rose is certainly in bloom and creating quite the picture as we peek at her petals. This month's definitely going to be a sizzler!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My man Paul is a hot guy, and heaven knows I'm proud to be seen with him. He's successful, owns his own house and has a flash car, which I love being driven about in. We intend to marry at the end of this year and my only reservation about committing myself to Paul is his best mate, Stuart. Paul and Stuart are opposites. While Paul is always impeccably groomed and likes expensive clothing, Stuart doesn't care what he wears and often looks a little scruffy even when he's just got out of the shower! In fact, my problems with the wedding started the day I came over to straighten Paul's house up for a party and bumped into Stuart as he made his way naked from the bathroom back towards the guest-room. I had supposed the house to be empty and it gave me quite a start to see him standing naked on the landing, grinning at the look of horror on my face. I felt mesmerised by his nudity, especially as he was shockingly well endowed! The fact is, Stuart had the biggest set of tackle I have ever seen, even on the porn DVDs that Paul and I sometimes watch to get us in the mood.

I could not take my eyes off it and Stuart did nothing to stop me. Instead he encouraged me to stare by getting a massive erection as he watched me try to stammer out some kind of apology for disturbing him. In the end he just laughed at my embarrassment, and joked that it was tricky to hide how pleased he was to see me.

His laugh was contagious, and, oddly, it didn't seem all that strange to be joking with Stuart in his friend's house. I had never before been tempted to cheat on Paul, and I certainly didn't set out to do it, but one part of me felt intensely excited at the thought of having it off with Paul's best mate. Paul had told me proudly of Stuart's notoriously naughty behaviour. Even so, I don't think Paul would have approved of what happened next...

It was one of those chance encounters where words are unnecessary. The attraction was mutual, magnetic and unavoidable. In moments, Stuart was removing my clothing, casting it on the

“...releasing a flood of sticky pussy juice, which he lapped up with pleasure.”

carpet as he backed me into the guest-room and we fell on the bed together. Stuart's hands were work-worn and callused, so unlike Paul's, which are manicured and soft. The raw energy of his seduction took my breath away and before I knew it I was naked and begging him to fuck me any way he chose. He opted to eat me first, pushing me back onto the satin quilt and pulling my naked thighs apart as he dived down to lick out my honey-pot. His tongue was thick and forceful and he pushed it right inside my pussy, delving deep for my pussy cream as he tongue-fucked me so close to orgasm that my toes curled with pleasure. Then, with one expert lick across my throbbing clitoris, my fiancé's friend triggered my climax, releasing a flood of sticky pussy juice, which he lapped up with pleasure. I was steaming hot, and my nipples and pussy were tingling and pulsing as I

“**My pussy throbbed as he splashed his load deep inside my rump..”**

writhed around on the bedspread. Stuart had just got started, and flipping me over he took me in doggie, sliding his massive cock right inside my well-lubricated cunt in one thrust. I closed my eyes, allowing my whole body to absorb the sensations of excitement which exploded through my groin as my pussy contracted around his throbbing member. My back arched and I drove my pussy back to meet his next thrust, driving it balls-deep inside me and making me moan as I savoured the full force of his thrust. In and out he slammed his cock, fucking my hot pussy so hard I could barely remain in position as he drove me forward onto the pillows. I held onto them tight, wincing and gasping as he fucked me harder and harder, until I found myself squealing as

my second orgasm ripped through me. By then I couldn't care if Paul walked in or not. I was having the fuck of my life and enjoying every moment of it.

My pussy gripped his thick shaft, contracting and squeezing it in an attempt to milk him of every drop of his spunk, but Stuart was a stayer and held off. Rolling me over, he began kissing and sucking my nipples until I was squirming under him begging him to fuck me again and come inside me. I was desperate to feel his warm wet seed in me and began wanking his cock as hard as I could, pumping it furiously in my fist.

Teasingly, Stuart told me that the only way he would come inside me was if he was to do it up my arse. I was a little shocked for a moment, but I'd had anal sex a few times before and enjoyed it, plus I'd never been so horny. I squirmed a little as I agreed to it and when he requested I hold my legs up and apart so he could fuck my arse from the front I became even more excited. Up until then I had never tried anal in any other position than doggie and this way seemed much more intimate.

I sucked his cock for a while to get it lubed up before he jammed it into my tight bum. He started slowly at first, giving me time to adjust to his size. I gasped as he began to work up a rhythm, enjoying the new sensation until I felt him stiffen as he told me he was ready to come. My body tensed and my pussy throbbed as he splashed his load deep inside my rump, triggering my own orgasm as he filled my back passage with his thick warm come. Now I don't really know what to do – I could have a life of comfort with Paul, or one of rampant sex with Stuart. It's a tough decision, and I've only got three months left to make up my mind...

Tina Kay might be new to Club International, but don't let that fool you into thinking she's a blushing innocent – she's been wowing fans in a series of filthy flicks for the last year or two. So what's the best part about her job...

"Are you crazy? All the cock and pussy I get to sample, of course! There's nothing better than getting fucked hard by someone who really knows what they're doing!" Hmm, well if you fancy a total contrast some time, do let me know.

BECKY 

Parry perfect might be a new entry into the Oxford dictionary very soon, as Becky shows us the artful ways in which a slight smile can lead to an abundance of excitement, in young and older men alike, as our youthful blushing photographic assistant found out, (Ed says: Don't forget yourself in that sentence.) and myself for that matter. But less about me and more about Miss Parry who is notable for more than her stocking lines, as she poses all our favourite positions for the camera. We just can't get enough!

JANE♣

Dear Club,
I have been a long-standing reader of your brilliant mag, but before the first ever issue of Club was published, I use to frequent my local newsagents for a copy of Mayfair each month, which is where I first came across the sassy Jane featured in Vol 17, No 3. What can I say about this heavy breasted beauty with her gloriously hairy muff and vivacious smile, except that I must see her again! Please, please, please, feature this diamond Paul Raymond girl in your Total Recall section.

All the best.

Harold, Epping.

The Ed says: Once we'd located the smoky eyed Jane we couldn't resist obliging your request Harold, what a corker of a girl. Enjoy!

SAMMY 
& CHARLIE

This looks like double trouble, as these two hot crumpets, writhe and wriggle around with each other on the bed. It's a delectable sight as Sammy and Charlie

kiss and caress in front of us, slowly undressing each other for their own satisfaction. "Isn't Sammy hot!" said Charlie. "I just want to suck on her pussy right

now, it's so inviting." Please don't mind us, you just do whatever you want, and we'll just, you know, look on at this blessed sight that will be forever ingrained in our memories!

ROXI

Roll on red, as Roxi Keogh takes the stand with her dream catcher tattoo, we wonder if she's been making anybody's nights cosy and dreams come true recently?

"No boyfriend, free as a bird to do what I want and who I want, which suits me perfectly. Though a cosy night with someone is never off the cards." Said Roxi with a little wink.

You won't pin this saucy mare down anytime soon, by the sounds of things her horny ways are set to continue.
